ONE PLACE. MANY POSSIBILITIES.

Corporate events, brand activations and photo & video productions. A 500 m² creative space in Dorobanți, Bucharest.

The main hall · photographed at the studio

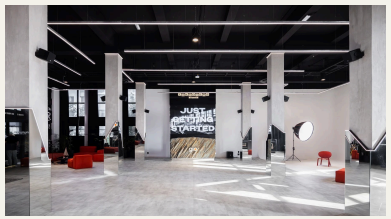

500 M²

The area of the whole hub.
Choose the spaces around your project.

Let's talk about your idea.

FOUR SPACES. ONE ADDRESS.

We choose the spaces together. Capacity, equipment and services are confirmed in the proposal for your project.

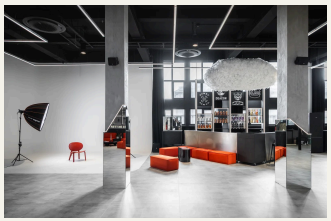

Modular hall

Stage, lighting and LED screen for presentations, launches and gatherings. The layout is agreed around the format and guest count.

Bar & lounge

Arrivals, breaks and conversation, at the same venue as the main hall.

Cyclorama & settings

A white backdrop for photography and film. The bar, lounge and interiors offer other settings.

BEHIND THE SCENES.

Catering kitchen

A preparation area for events and dinners. Menus, service and suppliers are arranged for your project.

FROM YOUR IDEA TO THE STUDIO.

You do not need a perfect brief to start. A few details help us build the conversation.

01 **The idea and the people**

What are you planning and how many people do you expect? For a production, include the crew size.

02 **The date and the schedule**

A specific date or a period. Include setup, the activity itself and time to pack down.

03 **What you bring. What you need.**

Sets, equipment, catering, loading and access requirements. We clarify logistics before the project.
